

Your Master's in Management at ESMT Berlin

A global management degree offering customization and practical experience

Would you like to study management while living in the most exciting and dynamic European capital?
Then the **Master's in Management (MIM)** at ESMT Berlin is for you!

The ESMT MIM is a two-year program developed for recent graduates and designed to enhance the analytical skills developed during your previous studies and combine them in an applied management setting.

What makes the MIM unique?

- Two tracks: Quantitative Business or Innovative Management
- Four specializations:
 - **Business Analytics**
 - **Finance & Investment**
 - **Entrepreneurship & Innovation**
 - **Global & Digital Strategy**
- Up to 10 months of integrated internships and projects in global corporations or Berlin start-ups.
- Internship opportunities offered by companies such as Allianz, Barclays, BMW, Bosch, Deutsche Bank, Deutsche Post DHL, E.ON, EY, Siemens, ThyssenKrupp, and many more.
- Recent MIM internship positions (examples): Allianz – Business development and strategy; Bosch – Product management and sales; Daimler Financial Services – Risk management; Zalando – B2B marketing
- Work on a **Social Impact Project** in an NGO or non-profit venture outside of Germany.
- Learn a foreign language while completing coursework in English.

The MIM program is designed for:

- Recent graduates with a background in analytical subjects (science, technology, engineering, finance, economics, mathematics etc.); **OR**
- Students with any first degree displaying strong interests and abilities in quantitative subjects.
- Scholarships are available for students with exceptional academic merit.

Visit our campus and apply before March 31!

- Applicants who apply by **March 31, 2019** will receive an additional **€2.000 discount on tuition**.
- Program start: September 2019; final deadline July 31, 2019.
- **Open House** event on **February 15, 2019**, more info at www.esmt.org/mim.
