

Two Wheel Tires Graduate (m/f) Marketing & Sales - September 2018

Ihre Aufgaben

During your Graduate Program, you will work on challenging global project assignments, which will enhance your business knowledge and soft skills. Visits to customers, suppliers, and diverse Continental facilities will provide you with a sound understanding of market and plant perspectives, which are key components of the overall business process. You will be able to build a personal network and make a big step forward in establishing a successful career as a professional in a global company.

The program starts with a 3 month onboarding module in Korbach, Germany, where all newly hired 2 Wheel Tires Graduates from all over the world will get together. This will be supplemented with teambuilding activities, soft skill and business trainings.

The next rotations will combine your individual plans and business demands with the program requirements of international rotations and functional deep dives. You will be assigned to specific topics and projects in Marketing and Sales to become equipped with the necessary business knowledge in the field of Bicycle and Motorcycle Tires.

Throughout the program, you will receive all needed guidance to sharpen your skill set and gain practical experience for a successful start after the program.
