

## Internship @ Support for Project Management

### Who we are:

Mitsubishi Fuso Truck & Bus Corporation (MFTBC) is a commercial vehicle manufacturer. The company sells vehicles including light-, medium- and heavy-duty trucks and buses. With a history dating to 1932, Mitsubishi Fuso today is a leader in Asia and the Middle East, with business in over 100 countries around the world. Daimler AG owns MFTBC shares. The other shares are held by various Mitsubishi group companies. MFTBC is an integral part of the Daimler Trucks.

### What's the job about:

The Super Great is our Heavy Duty Truck. Due to emission legislations we take the challenge to develop a new truck for the Asian Market. In our Project Management Office all interdisciplinary tasks are coordinated. To support the strategic project leader two major directions are covered: Product and process.

### This could be YOUR JOB to support...:

- Meeting Preparation and Task Tracking
- Sub-Projects like Connectivity, Body Builder & Accessories, test drive events
- Creating top management reporting
- Ad-hoc for the project leader

### Your skill:

A technical and economical background is required. It would be beneficial if you've just experiences in automotive industries. English is the language of daily business, Japanese would be nice but not mandatory. You are self-supporting, able to work polite and with patience against resistance.

### What we offer:

Besides project management experiences you will be close the creation of a new truck. 6 months in Tokyo, Starting May to October 2017.
